MITCH GLASER, PH.D.

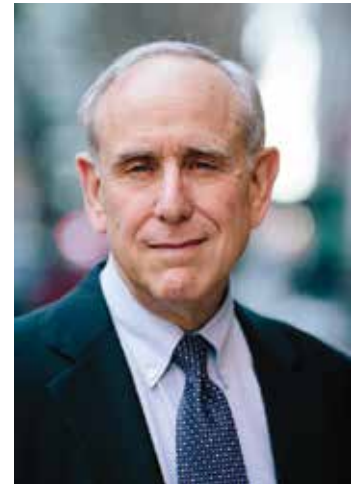

October 2021

Dear friends,

Shalom and happy Jewish New Year! Fall is an important time of year for your Jewish friends and for Your Mission to the Jewish People. More Jewish people think about atonement and forgiveness of sin during this season than at any other time of the year.

We recently enjoyed a very fruitful season of high holiday services during which we introduced Jesus to Jewish people as the fulfillment of these great festivals. I believe the holy days are biblical types predicting the atoning death of our Messiah, especially the holiday of Yom Kippur—the Day of Atonement described in Leviticus chapter 16 and further detailed in Isaiah chapter 53!

We held services both online and in person and had thousands attend. Please pray for the follow-up to these evangelistic events—that many Jewish people who do not know the Lord will hear the gospel and find salvation! We have now found a way to link seekers together through a series of online small Bible study groups that have been very effective. We praise God for the Jewish people who gave their hearts to Jesus through these online Bible studies!

YOUR GIFTS \$100,000

+ GRANT \$100,000

= \$200,000

TO REACH JEWISH PEOPLE

EXCITING NEWS

Recently, Mr. Woods, one of our loyal supporters, sold the home he and his wife lived in for many years and—in honor of his wife’s wishes and upon her passing into the presence of the Lord—donated the proceeds to Chosen People Ministries. This enabled us to establish a Challenge Grant fund, which increases the finances available to be used for ministry among the Jewish people. What a great gift in memory of his wife, their commitment to the Lord, and love for the Jewish people.

Initially, we plan to use a total of \$100,000 (\$25,000 per project) from this fund to move four key ministry projects forward during the next twelve months.

The Charles L. Feinberg New Missionary Training Fund

We plan to use up to \$25,000 this year to subsidize students attending our Charles L. Feinberg Center for Messianic Jewish Studies in Brooklyn and globally online. Your gift to this fund will be effectively doubled by the Challenge Grant fund, and we would then have \$50,000 to help train new missionaries to the Jewish people. This will go a long way!

The Israel New Missionary Fund

We will provide another \$25,000 from the Challenge Grant fund to support new missionaries in Israel who are unable to raise support for themselves, especially during these days when many local churches are not yet scheduling speaking engagements. We are helping three dedicated and capable young Israeli missionaries right now and would like to have funds available to help another two or three! Thank God, we can double the impact of your gift(s) up to \$25,000 through the Challenge Grant fund and the generosity of the Woods family!

The Twenty-First Century Evangelism Fund

We are working on new websites, videos, evangelistic podcasts, digital outreach booklets, and much more. I am especially excited about the new evangelistic Hebrew website we are developing. I cannot tell you how much we need to reach younger Israelis, and this is an excellent way. Digital evangelism is the future! We will provide \$25,000 from the Challenge Grant fund which will double the impact of your support for these digital media projects, including the website. Imagine the difference \$50,000 will make in completing these exciting initiatives!

The Mission Support Fund

We find it takes one worker behind the scenes to support every three missionaries on the field. We simply could not get the work of evangelism and discipleship done without those who handle the “back office” work in New York City, Jerusalem, and around the globe. We have some major infrastructure projects planned, like upgrading our infotech systems that uphold our church, missionary, finance, and administrative ministries.

Fifty thousand dollars will allow us to get started on some major projects, like the much-needed Chosen People Ministries phone app.

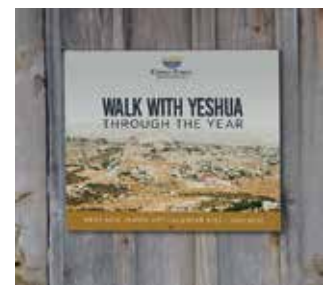

OPPORTUNITIES FOR THE NEW YEAR AND A NEW CENTURY

It is my hope to continue moving Chosen People Ministries ahead in the twenty-first century in the power of the Holy Spirit using all the tools these new times make available to preach the gospel. We wholeheartedly believe the everlasting, glorious, unchanging good news—that the Messiah has come, that His name is Jesus, that He died and rose for the sins of Jews and Gentiles, and that by believing in Him we will receive the gift of eternal life! If you can say amen to this and agree with us that it is the most critical message our world needs to hear and believe, then I pray the Lord will lead you to pray and give generously to Your Mission to the Jewish People. We are partners in the gospel!

The enclosed card will enable you to let us know your giving preferences in this Challenge Grant opportunity. You can also indicate if you would like to speak with one of us about making a major gift or if you have questions about your plans to sell a home and provide a gift from the proceeds. You could also establish a challenge grant fund with a major gift, similar to the fund established through the generosity of Mr. and Mrs. Woods. This is a wonderful way to make a significant contribution to the Lord’s work.

We do appreciate your thinking of Chosen People Ministries in your estate planning. Until that time comes, since the Lord may return at any time, why not do something significant today to reach Jewish people for Jesus?

I am so appreciative of you and your love, prayers, and support of our 127-year-old ministry to God’s chosen people. For your gift of any amount, I would like to send you our Chosen People Ministries Jewish art calendar. Just let me know if you would like a copy on the enclosed card.

Your brother in the Messiah,

Mitch

P.S. Are you at the stage of life where you are seeking to retire or reduce your living space and expenses? Now might be a good time to think about making the generous and sacrificial step of donating the proceeds from the sale of your home to Chosen People Ministries, while home prices remain high across the country.
